EMFTHA 3-GAIT LK2 - Class #430

- 1)Start at cone, transition to flat foot walk, at end of arena, track left. Continue Flat foot walk to left side.
- 2)Transition to Foxtrot, continue to end of arena. 3)Foxtrot a large circle (20 meters).

- 4) Upon completion of the circle, transition to a left lead lope and lope a large circle (20 meters).
- 5)) At the close of the circle (center end) transition to a flat foot walk. At the right side, transition to a Trail walk, proceed diagonally across arena at a Free walk on a long rein. (Reins must be lengthened so that horse is able to lower its head and reach down into the bridle without resistance.)
- 6) When reaching the left side of the arena, transition to a Flat foot walk. At the center of the arena transition to a foxtrot.
- 7) Foxtrot a large circle (20 meters)
- 8) At the close of the circle, transition to a Flat foot walk. Halt facing the right wall. **Stand quietly for 5 seconds.**
- 9) Execute a 180 degree turn on the haunches to the right and continue at the Flat foot walk.
- 10) At center of arena turn down center line and proceed to cone at a flat foot walk. Halt, back 4-6 steps.
